

America, What Will You Choose?

Paving the way for the last seven years!

Fred R. Coulter—September 19, 2020

As all of you know, last night—late evening on the Pacific Coast—Ruth Bader Ginsberg, the Supreme Court Justice of 27 years, died. She was the most liberal, and as far as those who believe in Biblical values, was the worst judge that has ever been on the Supreme Court.

This brings us to a turning point in America, a turning point in the history of how things are being fulfilled. These events are connected to end-time Biblical prophecy fulfillments. I imagine that many of those in the first century, when they read things about the return of Christ, were hoping that He would come in their lifetime. But it never did, and down through history there are always a lot of false starts. But now we're going to see that we are getting into the real events that are going to take place.

Israel, being America today—along with Britain and Northwestern Europe, but mainly America—is the only place in the world that the Gospel can be preached.

Matthew 24:14: “And this Gospel of the Kingdom shall be proclaimed in all the world for a witness to all nations, and then shall the end come.”

We can't leave it to the two witnesses, because as we will see a little later, the two witnesses come on the scene just before the Great Tribulation starts. We can't say that they will do it! *No, they won't do it!*

Their witness will be entirely different than the Gospel! Their witness will be the part of the Gospel that God is coming and He's going to takeover the world, which will occur on the Feast of Trumpets! That this whole satanic system is absolutely wrong!

They will have supernatural power that when their enemies come to kill them, fire comes out of their mouth and destroys the enemy. So, we can't leave it to the two witnesses. God is already preparing by having Bibles—physical and digital ones—in all languages available to anyone who has a phone. Think about that! Talk about a witness that God is going to bring!

First of all, we have the judgment of America, and we have a choice as never before. It's going to be a choice that all of those in every aspect of America life will have a part in deciding the fate of a nation! Why? *Because it is an election year!* So, from the President down to the Senate and the House, all governors and legislators, *and all citizens are going to have a part in deciding **IF** the*

correction comes on America with greater fury, or will God's hand be lifted?

Let's see how God operates and what He requires. It's also very interesting that one week from today in Washington, D.C.; a Day of National Prayer and Repentance led by Franklin Graham and Jonathan Kahn, and many other of the Protestants.

Will that be—along with other people who support it—enough to keep God's hand of correction from coming down hard all at once. Think about all that's been going on: *all the riots and burning!*

Remember that President Donald Trump... A lot of people don't like him. Why? *Because he does what he says that he will do!* A lot of people don't like him *because it goes against the 'deep state' and the establishment, which also is in every nation in the world!* Every government in the world has a 'deep state.' Here's what God told Jeremiah, because he had a message of death and destruction:

Jeremiah 5:1: “Run to and fro through the streets of Jerusalem, and see now, and know, and seek in her open places, if you can find a man... [just one man] ...if there is one who does justice, who seeks the Truth; and I will pardon her”—*meaning that God will pull back His hand!*

That's quite something! You think about it! If you don't care for Donald Trump because of his mannerisms, you need to think about why he is there, because God raises up each one up as they should be. Is he doing what is said here:

- Does he want justice?
- Does he seek peace?

Yes, he does! And here's another thing he's going to do!

It's interesting what Jeremiah had to do. Remember, he started out when he was probably 18-years-old at the most. So, here is the biggest thing that needs to be tended to (Jer. 19). With the death Ruth Bader Ginsberg, what a struggle that's going to be! They need to have a Supreme Court Justice on the bench. *So, the Supreme Court will be the instrument of yea or nay against how fast the correction comes!*

Jeremiah 19:1: “Thus says the LORD, ‘Go and get a potter's earthen jar, and *assemble some* of the elders of the people and of the elders of the priests.... [get all of the leaders out here] ...And go out to the valley of the son of Hinnom by the entry of Potsherd Gate. And there declare the words that I shall tell you’” (vs 1-2). *We're right at that point in*

America!

Verse 3: “And say, “Hear the Word of the LORD, O kings of Judah, and people of Jerusalem. Thus says the LORD of hosts, the God of Israel, ‘Behold, I will bring evil upon this place, which shall cause the ears of him who hears it to tingle””

Now, here’s way, and this makes next Sabbath—Sept. 26—very important, because these people have knowledge of God. Not full knowledge of the whole Truth, so God is not going judge them necessarily the same way He judges the Church.

- Do they want justice?
- Do they want to stop abortion?

That’s what this is all about!

Verse 4: “Because **they have forsaken Me**, and have profaned this place and have burned incense in it to other gods whom neither they nor their fathers have known, nor the kings of Judah, and have filled this place with the blood of innocents.”

- What is the blood of innocents?
- Who is the most innocent?

The one in the womb!

I want you to stop and think about this; I don’t carry who you are, where you are or what you do, it makes no difference! Every time there is a begettal of new life in a woman’s womb, God is part of it, whether they’re righteous or not righteous.

Why is that? ***Because He gives the spirit of man at conception to that new life!*** That new life would not be new life if it didn’t have the spirit of man!

“...and have filled this place with the blood of innocents” (v 4). *Back then they actually sacrificed the children!* Here they kill them without them ever having a chance to live under the Constitution, and which the Declaration of Independence ***declares the right to life!*** They’re deprived of it!

Verse 5: “They have also built the high places of Baal to burn their sons with fire for burnt offerings to Baal, which I never commanded nor spoke, nor did it come into My mind. Therefore, behold, the days come,’ says the LORD, ‘that this place shall no more be called Tophet, nor the valley of the son of Hinnom, but, The Valley of Slaughter” (vs 5-6).

If there’s not enough repentance to get a new Supreme Court Justice that will give the vote to stop this slaughter of the innocent, it’s going to come just like here. It will no more be called the United States of America, but the Western Colony of China!

God means business! So, we will have to see what’s going to happen. Donald Trump is already declared that he’s going ahead with the nomination and the vote. It looks like he will get it this way: 51—minus Collins, McCloskey and Romney—making it 50 and Vice Pres. Pence the 51st vote.

That shows you how close this is going to be, so we’ll have to wait and see what happens. So, you watch. If they’re able to get someone on there to bring abortion down to only extreme need then we are going to see ANTIFA, Black Lives Matter take over the country. That’s punishment for killing 62-million innocent lives!

Abrahamic Agreement or Covenant

The other thing that I want to cover, which is in Biblical times is that last Tuesday they had the signing of the Abrahamic Agreement or Covenant. I’ve said that there has to come a time that the Muslims say that ‘we’re tired of death, tired of war!’ We have reached that point!

This is significant because this is going to setup a fulfillment in prophecy. Let’s see what it has to be.

King of the North and the King of the South

Daniel 11:40: “And at the time of the end, the King of the South shall push at him...” *The end time can’t come until there’s a King of the South!* And there also has to be a King of the North.

What’s happening now looks like it’s very much going lineup so that the Muslims will be united and they will have a great ‘religious’ center in Egypt, and they will have someone who will be the head, and in Bible language will be the King of the South.

- we don’t know how long there’s going to be peace
- we don’t know how long it’s going to take for this to get together

But this unheard of what they are doing right now with the Jews and Muslims, and with America leading the way! It’s interesting that Donald Trump has used Jared Kushner, a Jew, to deal with the Jews. Donald Trump is dealing with the Muslims.

“...And the King of the North shall come against him like a whirlwind with chariots and with horsemen and with many ships; and he shall enter into the countries and shall overflow and sweep through. He shall also enter into the glorious land, and many countries shall be overthrown. But these shall escape out of his hand: Edom and Moab, and the chief of the children of Ammon” (vs 40-41). *So,*

there has to be a King of the North, and that's being setup right now!

- How is it doing?
- Who is going to be?

Probably going to be the Germans! They will come on as the savior of Europe, along with France, with those who are dedicated to the ones who tried to assassinate Hitler. They will say that they want peace, unity, all of these things.

Remember that in each case—the King of the South and the King of the North—the first one may not be the one who is going to carry out the last details of the prophecy. You may have one or two come before the final one.

How is it already starting? *Trump is making them pay for their own defense*, billions and billions of dollars, hundreds of billions! He wants them to protect themselves!

- What is that going to leave? *A need for a European Union leader!* We can see that happen.
- Who would have ever thought that the Jews and the United Arab Republic and Bahrain sign a peace accord?

So, there has to be the King of the North and the King of the South!

- What is the next thing that has to happen; and we are getting close to that time?
- What is the most significant thing in the agreement between the Jews and the Muslims?
- Is it peace? *That's one, but it's not the most important!*
- Is it trade? *That's another, but it's not the most important!*
- What is the most important? *The Muslims get to go to the Mosque of Omar in Jerusalem to worship Allah!*
- What does this tell us? *That the Jews are never going to build the temple there!*

Now you've got all the Muslims allegiance toward the Mosque of Omar, and they're happy that they can go there peacefully.

The Temple & the Last Three & A Half Years

Note DVD: *Jerusalem & The Lost Temple* {[truthofGod.org](https://milled.com/israel365/israel-s-top-rabbi-in-currently-in-discussions-with-the-messiah-himself-and--q9crY9gY7M0JybVn)}—this shows where the temple is going to be; south of the Temple Mount.

Israel's Top Rabbi: "I'm Currently in Discussions With the Messiah Himself"

{<https://milled.com/israel365/israel-s-top-rabbi-in-currently-in-discussions-with-the-messiah-himself-and--q9crY9gY7M0JybVn>}

They believe in 36 'wise men' and one of them will become the Messiah. They believe in a physical man being the Messiah. ***But the physical Man the Messiah has already come!*** They're 2,000 years late!

A Haredi rabbi, privy to secrets concerning the Messiah, was sworn to silence for several decades by hidden righteous men but they have now ordered him for the first time to publicize their messages about current events and the imminent arrival of the Messiah. They tell him that it is literally a matter of life or death.

HIDDEN SAINTLY MEN

Rabbi Zissholtz referred to Rabbi Elazar Menachem Man Shach, a leading Lithuanian-Jewish Haredi rabbi in Bnei Brak who passed away in 2001.

....The rabbi was referring to a Jewish mystical tradition brought in the Talmud (Sanhedrin 97b) that states that "at all times there are 36 special people in the world, and that were it not for them, all of them, if even one of them was missing, the world would come to an end."

"There is a Messiah in potential in every generation and there are tzaddikim... [the one who knows] ...who know precisely who it is...."

Rabbi Zissholtz explained that he had been charged by these hidden righteous men to break his silence and to begin informing the public of the imminent arrival of the Messiah.

What will be the next astounding news that the Jews will be all excited about? *They can't build the temple on the Temple Mount where the Mosque of Omar is!* As you know that sits on territory that was formally Roman territory and the temple was never there. That's why all those stones are still one on top of another.

If you look at from north going south, here is Fort Antonia and below that there used to be a ridge going out and the temple was south about 600 cubits away from the fence of Fort Antonia.

Guess what, the Jews will *suddenly discover* that's where to build the temple! Why is it necessary?

Matthew 24:14: "**And this Gospel of the Kingdom shall be proclaimed in all the world for a witness to all nations, and then shall the end come.** Therefore, when you see the abomination of desolation, which was spoken of by Daniel the

prophet, standing in the Holy place.'...." (vs 14-15).

There's only one place that is a Holy Place. A lot of people say that they can just pray and hallow the ground and have sacrifices there. *NO! The Jews are not going to settle for that! And God is not going to settle for that!*

The only place there's a Holy Place is in a Temple where the Holy of Holies and the Ark would be. The Ark is another question, it's probably in heaven, but they will have the Holy of Holies without it.

Go to templeinstitute.org^[transcriber's correction] and you look up how much they've already prepared for the temple. So, the next major thing to happen in Israel is not the peace with the Muslims, but the temple.

The next statement in Matt. 24 tells us the time-setting right afterward. Here's a parenthetical statement:

"...(The one who reads, let him understand.)" (v 15). Jesus did not say those words, because he was talking. These were put there when the New Testament was canonized by the Apostle John. He had the prophecy of Rev. 11 and the temple, but at the time God gave him the prophecies of Revelation, the temple had long since been destroyed. So, John didn't understand it, so he said, **"...(The one who reads, let him understand.)"**

Now we can understand because we know what the difference is. At the time that the temple was destroyed by Titus in 70 A.D., the *abomination of desolation* did not occur. The man of sin, the son of perdition, did not come in to the Holy Place, the Temple of God and say that he was 'God.' (2-Thess. 2). *Didn't happen!*

So, when the Jews start building the temple, you know that the time is short! We also know that right in the middle of it, when that man goes in there and say, 'I'm God!' (2-Thess. 2)...

Verse 21: **"For then shall there be Great Tribulation, such as has not been from the beginning of the world until this time, nor ever shall be again."** *This is the start of the last 3-1/2 years, right here!*

{Daniel/Revelation series, plus a big 11x17 chart, which takes the last 7 years and lays it out.}

One final thing, a lot of people are going to say that the signing of this agreement by the Jews and the Muslims is the agreement of Dan. 9. ***It's not, but it's paving the way!***

- you have to have all the Arab/Muslim nations come together
- you have to have Europe come together

Then you will have the King of North and King of the South! Meanwhile over in Asia China is developing!

The Final Covenant & the Beast Power

Daniel 9:26: "And after sixty-two weeks Messiah shall be cut off but not for Himself...."

We've got the book: *The Appointed Times of Jesus the Messiah*—it's laid out step-by-step so you know how it's going to come together.

"...And the people of the prince who shall come shall destroy the city and the sanctuary...." (v 26). *That's what he's going to do, but first there is a peace accord.*

"...But his end *shall be* with a flood, and unto the end of the war desolations are determined. **And he shall confirm a covenant with many for one week....**" (vs 26-27)—*not just with the Jews!*

Read Rev. 13—the Beast Power and the whole world! Right now, God is not letting the nations come together the way that have been trying to with the one-world order! That will come together when the Beast Power comes on and shows what a 'great leader' he is. Then all the nations will be willing to join. ***That's the covenant!*** When that happens that will be the beginning of the seven last years.

In the middle of it will be *the abomination of desolation* and the Great Tribulation, the last three and one-half years.

We're sitting right now, all of these building blocks of prophecy are being moved into the right place. If you've ever wanted to live in Biblical times, guess what?

- you're living in it
- we're seeing them
- we can see them happen instantly

How long did it take us to know when Ruth Bader Ginsberg died? *Minutes! Everywhere around the world!* The Bible in saying *all nations, all the world*, all of this, what supports that? ***All this instantaneous communication!***
