

Living in Satan's World

The judgment of God is coming, return to God HIS way!

Fred R. Coulter—April 23, 2022

Greetings, everyone! Welcome to Sabbath services!

What is like to live in Satan's world? *That's where we are at this point!* Look at what happened when Covid came. Do you realize the one major thing that happened?

- they succeeded in nearly shutting down the all the churches
- they succeeded in beginning to gain control over people without legislation

Those are very dangerous!

We're going to see that there are a lot of people out there trying to do a lot of things to save the nation, spending a lot of money and time, a lot of prayers and ministers involved in big rallies. They're going to do this for God, they're going to do that for God. All of these things, and we're going to save America.

- Will it happen?
- When you return to God, do you return to Him ***HIS way?***

There's going to be a lot of self-righteous hard work with some success in some things, but just like it happened with the election in 2020, ***it won't work because of the lies!***

It's true that the whole establishment of the world were all behind this lying, deceptive voting of Biden in as president. Why did that happen? Everything was going good; good economics, lots of employment, inflation was down, everything was working good.

- Is that all there is to life?
- Can you solve all problems by economics?
- Can you solve all problems by good intentions?

I'm going to give you an assignment: I want you to go to Church at Home {[churchathome.org](https://www.churchathome.org)} and watch the segment that I did on *Return to God His Way!* {<https://www.churchathome.org/video/return-to-god-his-way.html>}

This morning I watched two sessions and I-t got me fired up for this message today, but it was a flashpoint; how they're going to do this, that and the other thing. Yes, they had great success and because of the perverted gender teaching in schools, in one day they caused Disney stock to fall 40%!

- What's going to happen?

- Did the CEO come out crying and say he was wrong and shouldn't have said that? *No!*

Just got rid of one deception, that's all!

How many deceptions are we facing today? *We'll look at it!* You can be right over here; you can do know murder, no adultery, but you sure enough break the daylight out of the Sabbath. What did James say? ***You have broken the whole Law!***

The Protestants and Jonathan Cahn do not understand the New Testament and the Word of God! That's why all these churches were closed down! If they repent and come back to God ***HIS way*** then maybe they will have some success.

We're almost there with this in America. Everything is ***lies, lies, lies!*** Biden has satanist, witches, perverts working on his agenda establishing law without congress. Why? The founders said it best, when they wrote it all up and finished it. They concluded that this is the best we can do, however, it will only work if the people are religious, and they meant *follow the Word of God!*

- Do we (as a nation) do that today? *No!*
- Do the Protestant do that? *No!*

They pick and choose what they want to interpret it, rather than letting the Bible interpret the Bible.

Let's see a principle; 2-Thess. 2 is talking about the antichrist going into the Temple of God. Why will all the people believe it? There are going to be great rallies, but how many real conversions? God is not going to respect in America because we have the Bible. We have no excuse!

Granted, they don't understand why they're blinded, but the simple reason is that they can get out of that if they come to God ***His way*** in repentance. They can't come to God by vast movements!

2-Thessalonians 2:9: "*Even the one whose coming is according to the inner working of Satan...*"

If you lie all the time like Biden, is that not the inner working of Satan? ***He's not the beast***, so don't anyone come after me and say that Fred Coulter says that Biden's the beast. No, Biden will be lucky if he regains his sanity.

"...with all power and signs and lying wonders, and with all **deceivableness of unrighteousness...**" (vs 9-10).

What is unrighteousness? *Walking contrary to the will and commandments and laws of God!* When people do it and think that it's okay, *then they're deceived!*

I just heard Jonathan Cahn say today that it's all right to eat whatever you want to eat. *No it's not!* 2-Tim. tells you that it has to be from the Word of God.

“...all **deceivableness of unrighteousness in those who are perishing...**” (v 10).

Now, here is the key and the only thing that is going to make the change; nothing else will do it:

“...**because they did not receive the love of the Truth so that they might be saved**” (v 10).

You have to love the Truth! Every single minister and Protestant knows which day is the Sabbath Day. But because they have all these deceptive lies, now they're reaping the result of it. *It's going to come!* Maybe there will be a little improvement, but that's not going to change a thing.

“...**did not receive the love of the Truth...**”

Think about that statement. When you read what God has said:

- Do you hold the Word of God as Truth?
- Do you love the Word of God?
- **You better!**

If you don't, and you think you can compromise and be 'half-breed Christians,' it's never going to work!

Remember what happened to Worldwide, did we not learn the lesson in Worldwide? What did God do? *The same thing here!* There were those men—even ministers—who gave up on the Word of God.

- How many brethren left?
- How many were half-converted because they were never taught?

Look at it! Look at everything they had! *It's all gone!* It's a good example for this nation!

Look at everything we have. Look at everything that God has blessed us with. What's going to happen? Well, we better stay right with God, stay alert and prepare for bad times *because they are coming!*

Verse 11: “And **for this cause...**”

Whenever there's a cause of God to bring something about, because they reject the Truth of God, that is God's hand in doing it.

“...**God will send upon them a powerful**

deception that will cause them to believe the lie... [and they do, and there are many lies] ...so that **all may be judged who did not believe the Truth...**” (vs 11-12).

Truth is the Word of God! Every single minister has a Bible; they can read it, but they all have their own excuses ***to not love the Truth or believe the Truth!*** So, God will give a space of time for repentance. But is that space of time already over with? *We don't know!*

“...but who took pleasure in unrighteousness” (v 12).

Let's see something in Num. 14; here's where they sent out 12 spies to spy out the 'promised land.' They came back with grapes so huge that they had to carry the bunch on a pole resting on two men's shoulders. Joshua and Caleb came back and said:

God will fight for us! There may be giants, they may have high walls, but God has promised to give it to us.

But the other ten came back and said that we can't do this! God said to go in and do it! ***These were the very ones who:***

- saw the plagues
- walked through the Red Sea

Here they're getting ready to cross the River Jordan! They didn't give a good report, so just like we have today: Why are we going through all of these troubles?

Numbers 14:1: “And all the congregation lifted up their voice and cried. And the people wept that night. And all the children of Israel murmured against Moses and against Aaron. And the whole congregation said to them, ‘Oh that we had died in the land of Egypt! Or, Oh that we had died in the wilderness!’” (vs 1-2).

Is that rejecting the Truth? *Yes, it is!*

Verse 3: “And why has the LORD brought us into this land to fall by the sword so that our wives and our children should be a prey? **Would it not be better for us to return to Egypt?**” And they said to one another, **‘Let us make a leader, and let us return to Egypt.’** And Moses and Aaron fell on their faces before all the assembly of the congregation of the children of Israel. And Joshua the son of Nun, and Caleb the son of Jephunneh, of those that searched the land, tore their clothes. And they spoke to all the company of the children of Israel saying, ‘The land which we passed through to scout out is an exceedingly good land. **If the LORD delights in us...**” (vs 3-8).

- Does God delight in us?

- What if you come back to God halfway? *I'm a good compromiser. I'll come halfway, Lord!*

"If the LORD delights in us..."

- Does the Lord delight in people being angry at Him?
- Does He delight in people provoking Him?
- Does He delight in people rejecting the Sabbath and the Laws of God?
- Does He delight in all the sins that are being committed?

NO!

"...then He will bring us into this land and give it to us, a land which flows with milk and honey. Only do not rebel against the LORD, neither fear the people of the land, for they *are* bread for us. Their protection has *been* removed from them, **and the LORD is with us. Do not fear them**" (vs 8-9).

I wonder what would happen? I saw this big flashpoint over 9,000 people cheering and clapping.

Yes, we're going to take back the nation! God is going to be with us!

What would have happened if I got up on the stage and said:

All right, now you heard what has been said, you have one more thing you need to do. You all need to repent to God and you all need to start keeping the Sabbath. ***All of your ministers better quit throwing lawlessness in the face of God in the name of Jesus!***

I want you to all get on your knees right now and I want you to pray and ask God to forgive you for your sins, and all your Sabbath-breaking.

I would be carried off the stage! Just like right here:

Verse 10: **"But all the congregation said to stone them with stones.** And the glory of the LORD appeared in the tabernacle of the congregation before all the children of Israel."

Are we at this point? Look at all that we have done! Look at how many challenges we have had. Look at how many difficulties we have had. Here God says, ***'They have provoked Me ten times!'***

Do they not provoke God every Sunday saying that 'this is the Lord's day'? *Yes, indeed!* So, how far do they think they're going to get? *They may have a little success, but it isn't going to last!* I'm going to cover the major sins that are taking place right now.

Verse 11: "And the LORD said to Moses, **'How long will this people provoke Me? And how long will it be before they believe Me,** for all the

signs which I have shown among them? I will strike them with the pestilence and will disinherit them, and will make of you a greater nation and mightier than they'" (vs 11-12).

This is the second time Moses intervened for the people of God:

Verse 13: "And Moses said to the LORD, 'Then the Egyptians will hear, for You have brought up this people in Your might from among them. And they will tell it to the inhabitants of this land. They have heard that You, LORD, *are* among this people, Who is seen eye to eye. You *are* the LORD, and Your cloud stands over them, and You go before them in a pillar of cloud by day, and in a pillar of fire by night. And will You kill this people as one man?....'" (vs 13-15).

- How far?
- Do we hear anyone that's in the public?

Jonathan Cahn is going to have the big thing; it's going to be in lots of movie theaters. But I watched the rallies that they have had. Did they produce much? *Well, as long as it's all rah! Rah; and don't disturb:*

- ***their*** Sabbath-breaking
- ***their*** Christmas-keeping
- ***their*** Easter

they're with you! But if you get up there and denounce in their face that those are sins, they'll stone you!

So, Moses intervened again; "...Then the nations who have heard Your fame will speak, saying, 'Because **the LORD was not able to bring this people into the land...**'" (vs 15-16).

Verse 17: "And now, I beseech You, let the power of my Lord be great, according as You have spoken, saying, 'The LORD *is* long-suffering, and of great mercy, forgiving iniquity and transgression, and by no means clearing *the guilty*, visiting the iniquity of the fathers upon the sons to the third and fourth *generation.*' I beseech You, pardon the iniquity of this people according to the greatness of Your mercy, and as You have forgiven this people from Egypt even until now" (vs 17-19)

Verse 20: "And the LORD said, 'I have pardoned according to your word.'"

That's why we're here today! God will pardon it. But will they really do it? Then He says, 'Because you saw all these miracles and everything, you are going to wander for another 38 years!'

Verse 26: "And the LORD spoke to Moses and to Aaron, saying, **'How long shall I bear with this evil congregation which murmurs against Me?....'**" (vs 26-27). *Think about that!*

- Do they not murmur against God when they reject the Sabbath?
- Do they not murmur against God when they have all of their activities, sports, business, shopping and everything on the Sabbath Day?
- Do they not murmur against God when they have Christmas and Easter and all of that sort of thing, all
- Do they not murmur against God when they have all of their sports?

YES!

Verse 28: "Say to them, 'As I live,' says the LORD, 'as you have spoken in My ears, so I will do to you. Your dead bodies shall fall in this wilderness, and all that were numbered of you, according to your whole number, from twenty years old and upward, who have murmured against Me'" (vs 28-29).

They're all going to die! That's was 38 years! I wonder how many burials they had every day?

Verse 30: "You shall certainly not come into the land, which I swore to make you dwell in, except Caleb the son of Jephunneh and Joshua the son of Nun. But your little ones, which you said should be a prey, I will bring them in and they shall know the land, which you have despised. But *as for* you, your carcasses shall fall..." (vs 30-32). ***Forty years, an evil congregation!***

Verse 39: "And Moses told these sayings to all the children of Israel. And the people mourned greatly. And they rose up early in the morning and went up to the top of the mountain, saying, **'Behold we are here, and will go up to the place which the LORD has promised, for we have sinned'**" (vs 39-40).

They heard what God said! *But they rose up to go in on their own power!* That's what people are doing today! All of them!

Verse 41: "And Moses said, 'Why do you now go beyond the command of the LORD, when it shall not succeed? Do not go up, for the LORD *is* not among you. And shall you not be struck down by your enemies? For the Amalekites and the Canaanites *are* there before you, and you shall fall by the sword. Because you have turned away from the LORD, therefore, the LORD will not be with you.'" (vs 41-43).

Verse 44: "But they presumed to go up to the hilltop. However, the Ark of the Covenant of the LORD and Moses did not leave the camp. And the Amalekites and the Canaanites who were living in that mountain came down, and struck them down,

and beat them back to Hormah" (vs 44-45).

They came back and said, 'Why did God do this to us?' *There you go! **You can't do it your way!***

Let's look at the state of the nation in America. All of these good movements may have some affect, but until they repent and come to God ***His way*** it's not going to work out. Look at all the crime! Right here in California, Los Angeles alone by one man—the District Attorney—has turned it into a jungle of crime, robbery, pillaging and murder. It's the same way in every Democrat run state in America. We can know for sure, if you don't turn around and understand this—wherever you live—and turn to God, that ***these states are ruled by people who worship Satan the devil and have been sent to punish you because you have rejected God! But you won't listen!*** You're not going to change it!

How about the governments at every level throughout all the United States? *Federal, state, congress, state legislatures, county, city are all corrupt!* There are a few people trying to do good, but even those who are trying to do good, ***do you hear them say,*** 'Hey! We forgot God, so we're all going to start keeping the Sabbath instead of Sunday?' ***Not one!***

- Will they prosper any more than these people going to seize the hill after God said, 'You're not going to go in'?
- How much have they succeeded so far? *There are some states that are doing relatively good!*
- Why? *Because they're holding to moral principles!*

That's good! They likewise have got to come back to God ***His way!*** It should be easier for them, because they have less crime.

- look at the schools and colleges
- look at what they're trying to do to children

Why does it all come at once? and all ready? ***Because they've had this planned!***

We had a nice family here with us, but the school system is so bad that they moved to Oklahoma! They may get away with a lot by going to Oklahoma, but the people in Oklahoma are very 'religious'—very Protestant—had better start keeping the Sabbath. They make a big deal of keeping the 'Lord's day'! ***Well, God made a bigger deal about keeping the Sabbath!***

Look at what they teach them. The schools can have abortions performed and chemical castration substance administered to your children ***that you can't stop!***

I will tell you one thing, if you have children you better home-school them! You better not let them have all the little gadgets through which Satan enters their mind, like the idiotic stuff of TikTok, and other things like that!

Remember what the producers of Walt Disney said—because they're atheists and homosexuals, all of this sort of evil thing—we put it in suggestively into everything we produce!

So, I'm glad that there are a lot of people who have canceled their Disney Channel. But Disney owns ABC, ESPN 1 & 2, History Channel and National Geographic.

- Did the CEO come out and repent?
- Did He order all the employees to stop their subversive activities?
- **NO!**
- How about all of our businesses? Major corporations?
- How about all of the so-called freedom of speech: Twitter, Facebook, etc.?

Now we have in all the Democrat states legislation that legalizes infanticide! A woman can have a baby and just let it lay there and die! They can't do a thing!

If you don't think that Satan is behind all of this, and that there needs to be vast repentance...!

Can you walk into the state legislatures and say, 'All of you in the assembly get on your knees and confess your sins now, and stop these illegal ungodly laws, and you enact moral laws to keep the people well? **No! It will never happen!** You'd be in jail instantly!

It's not just here in the U.S.; *it's in the world!* What does it say of the world in the end-time? *This gives you the answer as to why there are so many lies! **Satan is deceiving the whole world every day! We are living in the end-time!***

I mentioned about the infanticide. Guess what else they want to do in California? *Make it legal for illegal aliens to become policemen and law officers!*

- How is that going to work?
- What do you think all these young men are doing over here?

Perfect military age! They're here!

- How did they get here? *Well, fulfilling of a prophecy!*
- How many times have I covered it?
- What did God say in Deut. 28?

Now Biden is going to stick by getting rid of Title 42. If you think there's been a flood of illegal aliens in America, they're telling us that we haven't seen anything, yet! Perfect age for the military. Isn't that something?

Why are they here? *Because of the sins of the people!* God said of Israel in the end-time: **the stranger who dwells among you shall rise up high above you, and you shall be brought down very low!**

- Can this nation take another three years of Biden?
- And the Democrats?
- Is that not punishment from God Because of our sins? ***YES, indeed!***

If you want to know what's happening on the International scene, read Lev. 26. He's going to take away the power of our military. Has that happened?

Are we fools on the world's stage? *Yes, the president is absentminded that he's got to have the Easter bunny come and wave hands to lead him away because he's in a daze and doesn't know where he's going!* **How is that for a Commander in Chief?**

Let's see what's been happening while all of this has been going on here; there have been a lot of other things taking place.

One little insight on the War in Ukraine: Europe was looking to use Ukraine's oil and gas instead of Russia's. That's the key! Plus whatever else is with it.

What's been going on? *We're going to talk about it!*

(break@40:35)

I don't know how long you've been in the Church, but there are a lot of people who have been in the Church for decades. We've heard these Scriptures over and over again, and said, 'Yes, that's true!' and we believe it. But now we've come to the point that ***we're living in it!*** That's quite a different thing! Let's refresh our memory, and let's see how it is:

Matthew 24:4: "Then Jesus answered and said to them, **'Be on guard, so that no one deceives you.'**"

The whole world is deceived! Even there are those in the Church who have fallen away. So, this shows that ***as true Christians we've got to:***

- be alert
- stay close to God
- understand the things that are going on

- not become complacent and think 'oh well, that's over there'

NO! It's right here! In Hollister we had a gang shootout two weeks ago! Hollister means *the holy tree!* So, right here in little Hollister!

Verse 5: "For **many shall come in My name...**"

Let no one deceive you, there will be many that come in My name! They're not going to come and say that they're an agent of Satan the devil, 'fall down and worship me.' No, they're going to come and say:

- have you ever thought of this...
- you don't have to keep the Law
- that's just for the Jews

What did Jesus say? *Man shall not live by bread alone, but by every word that proceeds out of the mouth of God!* Jonathan Cahn, **that is Jesus' New Testament teaching concerning the Law!**

Verse 6: "And you shall hear of wars and rumors of wars...." **How many wars have we lived through?**

Verse 7: "For nation shall rise against nation, and kingdom against kingdom..."

Verse 8: "Now, all these *things are* the beginning of sorrows."

We're at this point right here, just around the corner. You can let a baby die of infanticide and not be charged with anything, but you say that *Biden is a lying communist, no good satanist* and they're going to come and get you. Likewise, with all of those who are on Biden's side.

Verse 9: "Then shall they deliver you up to affliction, and shall kill you..."

Verse 10: And then shall many be led into sin, and shall betray one another, and shall hate one another."

Isn't that what we have today? *Yes, indeed! We're living it!* Years ago, back in the 1960s and 70s we would read it and say that's true. Now, here we are in 2022 and ***we're living right in the middle of it!***

Verse 12: "And because lawlessness shall be multiplied..."

Is that not what we have? *Not just increased, but multiplied!* Two time two is four, four times four is sixteen and that's how it's going.

Verse 13: "But the one who endures to the end, that one shall be saved."

How many are really enduring? Here's one

that we don't know how it's going to work and be done, ***but it's going to be done!***

Verse 14: "And this Gospel of the Kingdom shall be proclaimed in all the world for a witness to all nations, and then shall the end come."

Here's how bad it's going to get, v 21. I do believe this, and I already see it happening a little bit, which is that God is going to take many away from the evil to come.

Isaiah 57:1: "The righteous perish, and no one lays *it* to heart, and merciful men *are* taken away; none considering that **the righteous are taken away from the evil to come.**" *That is they're going to die!*

We have a lot of brethren out there. I just talked to a lady who is in her 90s and her husband is 95, and they get the live stream every week. I know there are a lot of people up in their 80s and 90s, so we're going to them also die because they'll be taken to their place of safety, the grave! All of those who are left:

- Are you going to be strong with God?
- Are you going to stay true to the Truth?

or

- Are you going to give up because you may have to stand alone?
- Are you going to give up because you are afraid to speak, because they might take you away, arrest you and kill you?

That's what's ahead! How bad will it get?

Matthew 24:21: "For then shall there be Great Tribulation, such as has not been from *the* beginning of *the* world until this time, nor ever shall be *again*. And **if** those days were not limited... [the *KJV* says 'cut short'; but it's *limited*] ...there would no flesh be saved... [not just human life] ...but for the elect's sake those days shall be limited" (vs 21-22).

What's happening in the world leading up to that? I've got some articles:

- I don't know if you've heard of the China lockdown, which Fauci approves and thinks it's a great thing. The Chinese have locked down Shanghai! They lock them into their apartments, and you probably saw it on the news; but that's not all. They have locked down a total of 200-million people!

I want you to think about that, because I'll have something to say about that in a couple of weeks. I want to discuss it with all the elders first at the Elder's Conference May 14-15. It's threatening the Chinese economy. Keep your eye on China!

{https://ccapleton.org/wp-content/uploads/2022/04/20220406_Newsbytes.pdf}

While much of the “mainstream” world has spent the last week obsessing over and debating the celebrity spectacle surrounding actor Will Smith slapping comedian Chris Rock...

Isn't that something? That made news for how long?

...the international elite were meeting in Dubai for the 2022 World Government Summit.

All the important elite and their representatives there! Also, at another meeting, the pope had all the people there from all the different nations, because the elite are going to find out that they can't impose the world government without the religion. Watch! They'll start coming together!

From March 28th to the 30th, corporate media journalists, heads of state, and CEOs of some of the most profitable companies in the world met for discussions on shaping the direction of the next decade and beyond. Anyone who cares about our future should ignore the tabloids and instead pay attention to this little known gathering of globalist Technocrats.

What do the Technocrats believe? We'll talk about that in just a minute! I want you to remember this name, we've covered it before in Who Owns the World? {<https://vrevealed.com/c19/monopoly>}

I've got it written down:

- Rothschild
- Soros
- Black Rock—leader Robert Fink
- The Rockefellers

How much the British Crown is involved, I don't know. They're rarely mentioned, but with all the wealth that they have, they have to be involved in it some way. However, isn't it interesting—stop and think—that Britain exited the EU two years ago? That had to happen before Europe could rise again. We're going to see Europe rise again. It's going to be in the person of Klaus Schwab, a Communist Nazi!

Schwab gave a talk entitled **Our World Today, Why Government Must Act Now**

{<https://www.worldgovernmentsummit.org/events/2022/session-detail/a0f3z0our-world-today-why-government-must-act-now->}

He talks about the great narrative, the redoing of everything in the world and part of it is getting rid of a lot of people. *We can expect more manufactured*

pestilence!

➤ **A Technocratic Authoritarianism**

{<https://www.thelastamericanvagabond.com/great-narrative-metaverse-dystopian-vision-future/>}

While the political leaders of the UAE and Klaus Schwab may promote themselves as the heroes of our times, we should judge them according to their actions and the company they keep, not the flowery language they use to distract us.

The simple fact is the UAE has a horrible record on human rights....

They're going to come after Christians! Didn't we just read that (Matt. 24)? It's going to happen! And it's going to happen here in America!

...To put it simply, the 4IR [the 4th Industrial Revolution] is the digital panopticon of the future, where digital surveillance is omnipresent and humanity uses digital technology to alter our lives.

It gets worse than that! Remember years ago I said *the mark of the beast is going to be used to control people!* There were some who said that will never happen. *It's going to happen! They will control!* That's their point.

“...the Internet of Things, the Internet of Bodies, the Internet of Humans, and the Internet of Senses, this world will be powered by 5G and 6G technology. Of course, for Schwab and other globalists, the 4IR also lends itself towards more central planning and top-down control. **The goal is a track and trace society where all transactions are logged, every person has a digital ID that can be tracked,** and social malcontents are locked out of society via social credit scores.

Just like in China!

I'll leave it up to you to get with this. But the long and short is, it talks about ‘think tanks,’ special councils of how level people and all governments coming together gradually working together so that the world government will be upon us! You can go on Wikipedia and download Klaus Schwab.

Another one is Yuval Noah Harari—go on Wikipedia and download his biography.

We can laugh at that and say that's stupid, *because it is stupid!* But that's what they want to do. What do you think all this teaching of kids, starting in kindergarten, and gender thing is all about? *Right here! They want to pervert them as early as they can!*

He is the right hand lieutenant of Schwab! The ideas he has, you can go online and watch some of his interviews. He talks about the most important thing that can be done today is to ***hack the human mind and the human genes*** and change them. ***This Covid shot was the first mass tryout of gene changing, because it was not a vaccine. It was gene therapy!***

Now you know why they want to vaccinate the little kids! Why is all of this happening to the little kids?

You need to think about this deeply. Satan has set the system up so that in order to have a home and family, mother and father must work.

- What does that do? *That leaves all the kids alone!*
- Who do they associate more than anybody else in their lives? *Their teachers!*

The teachers are composed of atheists, witches, homosexuals, transsexuals and perverts of all sizes, numbers and kinds! They don't care what the law says that they need to teach. One woman says that she's a witch and

I'm going to teach what I'm going to teach, and no one is going to stop me.

Who is going to? Again, if you have kids, grandkids, ***teach them at home!***

Hosea 4:1: "**Hear the Word of the LORD, children of Israel...**"

When I heard about 'Flashpoint'; and I watched the rallies that Trump has. He's interesting! It shows you one thing: *you can do everything right but **IF you really don't honor God publicly and worship Him in your private life***, it doesn't matter how good it's going to be, God can take it away! Did He do it? *Yes, through a lying election with input from China and other major nations that want to take us down!*

Why would God allow that? ***Because we have forgotten God! We have turned our back on God!***

Look at all the rallies that they're having, like with this 'Flashpoint.' Quite impressive! They're all zealous and want to do things. They talk about God, but they're just like the children of Israel

that didn't believe Joshua and Caleb. They went up to fight and God said, 'Don't go, I'm not with you.'

They might have a few successes, ***but unless they really repent God's way, He's not with them!*** No other country has had the Bible like we have. So, our judgment is going to be a whole lot more severe.

"...for the LORD *has* a controversy with the inhabitants of the land, **'There is no truth...** [Can you find it on television? *A little bit!*] ...**nor mercy...** [there's some of that] ...**nor knowledge of God in the land**" (v 1).

- Do you hear God mentioned in conversations other than that they're going demand from Him?
- Take from Him?
- Rather than repent and submit to Him?

Verse 2: "By swearing, and lying, and killing, and stealing, and the committing of adultery they break out; and blood touches blood." ***Isn't that what we have right today? Yes!***

Verse 3: "Therefore, shall the land mourn..."

Do we have a drought? *Yeah, we've got a bad drought!* Farmers in the Central Valley got the news earlier this spring that they would not be sent any water, because there's not enough. 'We're going to send it to the people in the cities. The farmers replied, 'What are they going to do without food?' *The government is going to pay you to not plant!*

Think on the insanity! They have one very liberal judge who thinks more of a little fish (just a few inches long) getting water off the Sacramento River than sending the water to the farmers to grow food! ***They are all crazy! And the judgment of God is coming!***

The last time I drove down to Los Angeles I was amazed to see ***dead trees, dead orchards, no crops planted because no water is coming!*** So, when I tell you that you better be prepared with extra food and things, you better listen up! You better take care of it, because we're going to see empty shelves!

Think about it! How long did it take for Venezuela to collapse? After Hugo Chavez got done, it took three years. How many years are left with Biden if he makes it to the end?

Then can we greet Pres. Kamala Harris? How will she do? And our 'wonderful' senator from California: Diane Feinstein! Oh what a number she is! How about our state legislature? ***Nothing but hardnosed, hard core Communist Democrats! It's coming!***

"...and everyone who dwells in it shall languish, with the beasts of the field and with the

birds of the heavens. Yes, the fish of the sea shall also be taken away. Yet, let no man strive, nor reprove another, for your people *are* as those who strive with the priest. And you shall stumble in the day... [that's quite a description of what's happening] ...and the prophet also shall stumble with you *in the night*, and I will destroy your mother. **My people are destroyed for lack of knowledge...**" (vs 3-6).

Right where we started with 2-Thess. 2, ***because they didn't have love for the Truth God sent them a strong delusion!***

"...Because you have rejected knowledge, I will also reject you from being as a priest to Me..." (v 6).

America and Britain were to bring the Truth of God and His Word to the world! Now what are we exporting? *Perversion! Murder! War!* Then you wonder why God is angry at us!

"...Because... [God always waits until there is a cause and the cause is clear] ...you have rejected knowledge..." (v 6)—*the knowledge of God!*

We can see it in the preachers! Yes, they use God's name, but will they love God and keep His commandments? *Very few at best!*

"...I will also reject you from being as a priest to Me. Since you have forgotten the Law of your God, I will also forget your children" (v 6).

Right there, that's what's happening to the children, *because*, always a *cause!*

- God waits!
- God has patience!
- God gives time!

But now we're at the end of the rope!

Will anybody be able to hold it back a little bit? *There are going to be some who will do it!* But in our lives, you have to do in your own home!

Verse 7: "As they were increased, so they sinned against Me. I will change their glory into shame." **Doesn't that describe America today?** *Yes!*

Back to world government; it's something to think about! ***It's coming!*** Let's look at it. It's coming! They're preparing! They're getting ready! Exactly when it will happen, we don't know, ***but it will happen according to God's timetable!***

Rev. 13 tells about it; it rises up out of the sea, and it's *the beast*, and it describes it!

Revelation 13:4: "And they worshiped the dragon... [Satan the devil] ...who gave *his* authority

to the beast..."

- Didn't Satan tell Jesus, 'If You fall down and worship me, I'll give you all these nations and the glory of them'?
- How do you think a world government is going to come about? *By worshipping Satan the devil!*

"...And they worshiped the beast... [we don't have the charismatic leader, yet; but he will come] ...saying, 'Who *is* like the beast? Who has the power to make war against him?' And a mouth speaking great things and blasphemies was given to him; and authority was given to him to continue *for* forty-two months" (vs 4-5). *That is after he had a deadly wound!*

Would you say that as the system of Europe ***the deadly wound and the death of Germany has now been healed? 75 years later!*** We'll have to wait and see. Klaus is right there ready to make it happen.

Verse 7: "And he was given *power* to make war against the saints, and to overcome them; and he was given authority over every tribe and language and nation. And all who dwell on the earth will worship him..." (vs 7-8)

They're setting it up now! It's all going to be this great digital thing!

Look up Yuval Noah Harari and see how he brags about hacking the human mind and the body! He said that *there will be no gender in 50 years!* Well, he's wrong, but that's the goal they're seeking for.

Let's see about him, here's the Wikipedia Report. When I saw him I thought this right off, and then when I got the **Wikipedia Report** guess what it says:

Personal life: Harari is gay and in 2002 met his husband...

So, he plays the female!

...Itzik Yahav...

Two Jews!

...whom he calls "my internet of all things." Yahav is also Harari's personal manager. They married in a civil ceremony in Toronto, Canada.

He's smart, intelligent, recognized in the world having awards. There it is! ***So, they're working on it, and it will come about!***

Sidebar: There are nations getting together to have combined wheat storage. The nations of Israel and Jordan are getting together to make combined wheat storage. Why would they do

that? *Because there's going to be a shortage of wheat!*

Also, if Petra is the place of safety, and there are those who go to a place of safety—which there will be—you've often wondered what they're going to eat.

Could this be part of it? God making them build these big storages for wheat and whatever else. Could God give those who are taken to a place of safety favor in the sight of Jordan to bring food to them? *Just a thought!*

There are a lot of things going on; we need to keep our eyes peeled and watch how these things are coming together. We are going to see that! Every prophecy will be fulfilled as God has said that it would be.

These are the days we are living in. I know it's going to be hard to not be depressed. ***But think of the goal and that we are the solution to solving the world with all the resurrected saints when Christ returns!***
