The Holy Bible in its Original Order—A Faithful Version with Commentary – This is a new translation that reflects the meaning of the original Hebrew and Greek with fidelity and accuracy—and is the only English version in which the books of the Bible are arranged in their original order. The easy-to-read translation retains the grace and grandeur of the *King James Version* while clarifying many of its problematic passages. Included are commentaries on the writing, canonization and preservation of the Scriptures. Various appendices cover numerous controversial biblical teachings, and detailed footnotes and marginal references explain hard-to-understand passages. A vital tool for all students of the Bible! See www.restoringtheoriginalbible.com.

A Harmony of the Gospels – This book is dedicated to showing the true Jesus Christ, His life and message, with clarity and meaning. Religious myths, superstitions, and traditions of men have been set aside and presented instead of them are only the scriptural and historical facts about Jesus. Revealed is that the maledictory oath that God made with Abraham was a foretype of the crucifixion and death of Jesus Christ.

The Christian Passover – This book details the scriptural and historical truths of the Passover in both the Old and New Testaments, leading the reader step-by-step through every aspect of one of the most vital and fundamental teachings revealed in the Bible. With over 500 pages, the book fully explains the meaning of the Christian Passover—a remembrance of the sacrifice of Jesus Christ, the Passover Lamb of God—in a most compelling and inspiring manner. The full meaning of the body and blood of Jesus Christ is revealed, showing the magnitude of God’s love for every person.

God’s Plan for Mankind – This first-of-its-kind work provides a comprehensive look at God’s amazing Master Plan for the human family—precisely as it is outlined by the biblical seventh-day Sabbath and annual holy days. Each chapter is a transcript of an in-depth Bible study revealing God’s purpose from Genesis to Revelation. Actual Bible studies are included on an accompanying set of four CDs. **Updated expanded version 2021.**

The Day Jesus the Christ Died – This is the only book to present “the rest of the story”—left out by Mel Gibson in his epic movie “The Passion of the Christ.” Without the true historical and biblical facts, one cannot fully understand the meaning of Jesus Christ’s horrific, humiliating and gruesome death by beating, scourging and crucifixion. The author presents the full biblical account in a most compelling way. As you will see, the truth is more astounding than all of the ideas, superstitions and traditions of men!

Occult Holidays or God’s Holy Days—Which? – This book shows that for centuries the leaders of Orthodox Christendom have sold popular holidays—Halloween, Christmas, Easter, etc.—to the masses as though they had “Christian” meaning. The book effectively demonstrates that these celebrated holidays are not of God, but originated from ancient religions rooted in occultism. Contrary to the false ideas of men, the true biblical holy days of God have vital spiritual meaning and outline God’s fantastic plan of salvation for all mankind.

The Appointed Times of Jesus the Messiah – This book shows that mainstream Christianity has little or no understanding of how Jesus’ messianic role had been carefully organized according to what Scripture calls God’s “appointed times.” As this book demonstrates, the “appointed times” of the Messiah follow the timeframe set by the biblical festivals and holy days as well as the 70-week prophecy of Daniel nine—all of

Books

which outline God's plan of salvation. Indeed, it is only within this unique context that the role of Jesus as the Messiah can be rightly understood.

From a Speck of Dust to a Son of God – This book answers the question of “Does human life have eternal purpose?” The why of human life, why were you born, is revealed. The Bible declares that the purpose of mankind is far greater and more awesome than people have ventured to imagine!

America and Britain (Two Nations That Changed the World (by Philip Neal) – This book identifies as to where in the Bible is the United States of America or Great Britain to be found. The greatest empire that the world has ever known—the British Empire, which dominated the world for over two centuries, is spoken of in Bible prophecy. So too, the single richest and most powerful nation in all of history—the United States, also is found in Bible prophecy. The truth about this is to be found in reading this book.

Judaism—Revelation of Moses, or Religion of Men (by Philip Neal) – This book challenges Christians to examine the possibility that Judaism is not at all what it appears to be. Rabbis say that in Judaism the Talmud is held to be superior to the Old Testament! Is this true? Reading this book will prove it if it is so.

Lord, What Should I Do? – This book reveals that “Christianity” is now facing an unprecedented crisis: disenchanted churchgoers are quitting by the thousands, looking for genuine spirituality outside of the corporate church. This timely book presents real solutions to the problems of a dysfunctional “Christianity,” emphasizing how Christians can and must take steps to recapture a faith that is authentic, relevant and applicable to modern life, even if it means leaving organized “Christianity.”

Seven General Epistles – This book is designed for an in-depth verse-by-verse study of the epistles of James; I and II Peter; I, II and III John and Jude. As part of the living Word of God, these epistles are as meaningful today for personal Christian growth as when they were written.

History of the Church of God (325 A.D - 1600's A.D.) (By John J. Guenther) - A documentation of the Church of God throughout modern history, showing the growth, persecution and massacre of people that served God in their lives.
